Re: ANGEL RIVERA V. John Ashcroft  
NO. 05-10629-JLT

Dear Ms. Thornton:

ON May 8, 2005, I Submitted a Motion  
for Appointment of Counsel in your Honorable  
Court and I hope and pray that you  
accept my Motion. I've Got your information  
on the Attorney General Motion to Dismiss  
my Petition for Writ of Habeas Corpus,  
claiming that I named the wrong defendant  
John Ashcroft. and I believe that their  
claim is wrong since I wrapped up my  
State Sentence on Sept. 13, 2004. and has  
been since detained by immigration  
authority at Plymouth County. When I  
first filed my Petition was last December  
2004. but something happened that your  
honorable Court did not received my

Motion and I re-filed my Petition in your Court three Month later. I still have Not received anything from your Court but the Attorney General Motion to dismiss my Petition. Again, I Pray that your honorable Court would Appoint Counsel to help me deal with these issues.

Thank you very Much for your Valueable and appreciated Service.

respectfully yours
